

cling-on degreaser

**high viscosity, stays in place
attacking grit until wiped off**

**safely cleans oil and grime
from all parts of the bicycle**

convenient spray bottle

biodegradable formula

Made in USA

22 FL. OZ. (650mL)

Spin Doctor Cling-on Degreaser is a bio-friendly, viscous degreaser that clings to surfaces to break down and efficiently remove grease, grime and oil, and is safe to use on metal and plastic parts.

Directions for use:

1. Spray on chain, derailleurs, chainrings, cassette or any parts that need cleaning.
2. Spread with a rag or brush and let stand for 30 seconds or more.
3. Rinse clean with water and wipe dry with a clean rag.

⚠ WARNING

Keep out of reach of children. Keep container closed when not in use. Use in well ventilated area. Do not ingest. Keep out of eyes. Prolonged skin contact may cause irritation. If ingested, do not induce vomiting. Rinse mouth with water, drink one to two glasses of water and seek medical aid. If product gets in eyes, flush eyes with water for 15 minutes. If irritation persists, seek medical aid. If product contacts skin, wash with soap and water.
