SPIN DOCTOR

repair stand parts tray

- Attaches in seconds to the Spin Doctor Pro repair stand
- Keeps tools and small parts close at hand

Installation

1. Insert the metal tabs on the underside of the parts tray into the two slots in the plastic top cap on the Pro Repair Stand, with the longer notched tab toward the rear of the stand and the shorter tab toward the front. See Figure A.
2. When properly installed, the notch on the longer tab will fit over the internal axle that allows the clamp mechanism to rotate. See Figure B.
