

# Fusion lens installation

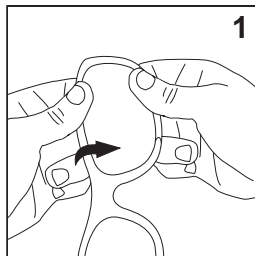

**Step 1**  
Insert the lens into  
the slot in the lower  
frame.

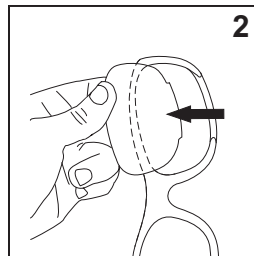

**Step 2**  
Press the top corners  
of the lens until it  
snaps into the upper  
frame.

# Fusion lens removal

**Step 1**  
From the backside of  
the lens, press the  
upper edge of the  
lens out of the frame.

**Step 2**  
Lift the lens out of  
the slot in the lower  
frame.
