

IMPORTANT RECALL NOTICE

To: Customers

Performance, Inc. Announces Recall of **Performance Forte Pivot Pedals**

Performance, Inc., of Chapel Hill, NC, is voluntarily recalling the Performance Forte Pivot Pedals, item # 50-2786, UPC: 400011324711. The defective pedals have cleat retention springs that can break causing the rider's shoe to release unexpectedly. If this happens the rider could lose control of his bike and be injured.

We have received no reports of accidents or injuries.

The Forte Pivot Pedals were only sold through Performance Stores, via the Performance web site: www.performancebike.com/shop and through Performance catalog sales.

They were sold from November 15, 2004 through to January 13, 2005.

Consumers should **stop using the pedals immediately** and return them for replacement or refund. For refund, exchange or store credit, return them to the nearest Performance Store. Or for credit or exchange return to:

Performance Inc.
Attn: Returns Dept. (Pivot Pedal Recall)
1 Performance Way
